# Welcome

## to our 40th Anniversary, Class of 1985!!!

Do you remember:

The **Beer Blast**, typically held on Friday afternoons in the snack bar, with beer being served for \$0.25 a cup?

When our Student Government Association asked the administration to **forgo testing during homecoming week** and they did?

The **Homecoming Boat** and **Hayrides** along with the **Coronation in The Barn**?

Attending the highly competitive basketball “game of the year” between **Xavier and Dillard**, skipping class to get our “free” tickets, and hearing “**The Crew**” antagonize our opponents with their chants? You know the ones...

Attending **Fall** and **Spring Fest with Carnival Rides** and music provided by **Total Control**?

Seeing folks **openly pledging towards Greekdom** (whether Divine Nine, Professional, or Academic honor societies), celebrating their ultimate “crossing the burning sands?”

Let’s make even more memories!
